

## **The Brief**

Re-write the existing copy to promote and explain the services that Diaro offers and encourage more schools and education institutions to contact the company.

### **Original Diaro homepage**

A team that has come together from the education industry to help solve the balance between compliance and student outcomes. Implementing online learning into an organisation is no longer something that can be avoided, but it doesn't have to be daunting. We offer everything you need to succeed in entering the world of online learning. Providing you with all the tools you need to make it happen, from technology to content, and for the bits we don't do we have partnered with the best.
